About Fourth Wave:

Fourth Wave: is a revolution in people. The First Wave in History is green revolution resulting in better production and availability of food, Industrial revolution is the Second Wave, and helped people modernizing systems to live more comfortably, the Third Wave is the technological revolution. Everything is fast, easy and quick now as a result of which we have a global village.

But when we look at the world we feel that there is a void in man, which he is trying his best to fill leaving a greater need to fill this void.

Frequently asked questions: Why is the world becoming bad? Why is there so much of corruption? Why so many poor in the world? Why so much of suffering? And many more why's? Do we have an answer to all these questions? Many say no some say yes!

The answer to these questions is the Fourth Wave: A revolution in people. The first three waves happen outside the human being, but the next wave, the fourth wave has to happen within him, helping him to use the other three waves in the most efficient and effective way. Fourth Wave is all about empowering human beings through Various Humanitarian and Corporate Social Initiatives

Mission: Encourage weaker sections of society and disadvantaged reach self reliance.

To help reach out to the underprivileged and unrecognized sections of Society respecting their needs and culture and ensuring empowerment happens through collective participation.

Vision: To create a culture of Socially Responsive communities that will work to build a better tomorrow.

Shettar launches 'Nanagu Shale' scheme

DHARWAD: District In-charge Minister Jagadish Shettar stated that efforts should be made to empower physically challenged persons economically and socially thereby bringing them to the main stream of society.

He noted this while speaking after inaugurating a programme 'Nanagu Shale' jointly organised by Janasakhi NGO, MFCS and Fourth Wave Foundation at Karnataka Vidhyavardhak Sangh in Dharwad.

He said, the society should not think that physically challenged persons are ineligible. There are numerous instances wherein the physically disabled have achieved numerous feats and have made the nation proud.

He hailed the efforts of the organisation in providing education to the physically disabled and shaping their career. Measures would be taken by the government to assist the organisation stepping forward to render service to physically disabled, he assured.

MFSC Chief Meena Bambhani released a brochure of 'Nanagu Shale' scheme on the occasion. She said, the organisation would be striving hard to extend the project across the State.

MLA Chandrakanth Bellad, Bahvika Academy Chairman Shankar Halghatthi also spoke on the occasion. MLA Seema Masuthi presided over the programme.

Diana Joseph, Ameet Kumar, Rajshakar Nayakal, Narendra Kalmath, Shivanand Bhavikatti and others were present.
